L'arte della decorazione

Caro amico

Spero che Lei concordi con noi nel considerare il n.s settore sicuramente divisibile in due grandi categorie: quelli che esercitano da lunghi anni il “mestiere" e chi si accinge era ad "iniziarlo" con impegno. Agli uni ed agli altri offriamo quale riconoscente amicizia questo prezioso catalogo: sarà una guida sicura per chi desidera associare al proprio lavoro l'oggettistica decorativa in gesso e in agglomerato di marmo e resina, proponendo la consultazione altresì al pubblico direttamente interessato, che spesso, al di là delle incertezze, di carattere economico, vive quelle di ordine psicologico: il timore di sbagliare o di non scegliere bene.

Il n.s catalogo sarà certamente consigliere fidato su quanto il più significativo e tradizionale esiste nel settore, affiancando alla Vs. esperienza la nostra antica tradizione.

Le nostre decorazioni in gesso e agglomerato di marmo e resina sono patrimonio di antiche strutture, filtrato “attraverso le composizioni del nostro tempo”.

Sfogli dunque "caro amico" questo catalogo con la certezza di trovare qualche cosa che la interessa oggi o la potrà interessare domani.

Dopo averlo consultato lo conservi gelosamente, la GPS sarà cosi il pegno di una amicizia che continua nel tempo.

Lieber Freund

Sicher sind Sie mit uns einer Meinung das unser Sektor in zwei grosse Kategorien aufzuteilen ist, einmal Unternehmen die schon seit langen Jahren im Gescheft sind and zum anderen neue Unternehmen die sich mit grossem Einsatz einfuehren wollen.

Den einen wie den anderen bietenwir diesen wertvolten Katalog an, eine sichere Fuehrung fuer alle diejenigen die ihre arbeit verbinden wollen mit dekorativen Objekten aus Gips oder Sinterstoff aus Marmor und Kunstharz.

Dieses Katalog dient ausserdem als Ratgeber fuer ein direkt interessiertes publihum, welches jedoch noch unentschlossen ist, einmal aus wirtschaftlichen Motiven oder zum anderen aus psychologischen Gruenden: wie z.B.angst vor einer Fehlentscheidung.

Unser Katalog ist eine sichere Fuehrung fuer alles was der sector traditionelles and bedeutungsvolles zu bieten hat, im vertrauen auf Ihre Berufserfahrung and unsere antike tradition.

Unsere dekorationen aus Gips oder Sinterstoff aus Marmor und Kunstharz sind das Erbe der antiken Strukturen gefiltert "durch die Kompositionen der heutigen Zeit".

Also "lieber freund" schauen Sie sich diesen Katalog an und mit Sicherheit finden Sie etwas was Sie heute interessiert oder morgen interessieren koennte.

Nach der Beratung den Katalog gut aufbewahren: Der GPS wird somit der Pfand fuer eine lange andauernde Freundschaft

Cher ami,

J'espere que vous serez d'accord avec nous en considèrant notre secteur divisible en deux grandes catègories: ceux qui exercent depuis de nombreuses annèes la "profession" et ceux qui s'apprêtent maintenant à "commercer à l'exercer" avec zèle.

Aux uns et aux autres nous offrons, en gage de notre amitiè reconnaissante ce precieux catalogue: ce sera un guide sûr pour ceux qui dèsirent ajouter à leur travailler objets dècoratifs en plâtre et les agglomèrès en marbre et en rèsine, en proposant en outre la consultation au public directement intèressè, qui, souvent au delà des in certitudes d'ordre èconomique, vit dans l’incertitude d'ordre èconomique, vit dans l’incertitude d'ordre psychologique: la crainte de se tromper dans son choix.

Notre catalogue sera certainement un conseiller sûr, puor tout ce qui est significatif et traditionnel dans le secteur, en ajoutant à votre expèrience notre tradition antique.

Nos dècoration en plâte et agglomèrès en marbre et en rèsine sont le patrimoine de structures antiques, filtrè "a travers les compositions de notre temps”
